## *Gate Access Procedures*

The Board of Directors changed the policy for purchasing gate remotes. The previous policy only allowed owners to purchase gate remotes. **However, the Board decided to allow tenants to purchase remotes as well as long as a valid lease with the owner is provided.** Therefore, we ask owners to inform their tenants of this policy change so remotes may be purchased at the management office if needed.

For your convenience, on page 7 please find a copy of the gate access form that you or your tenant will need to complete in order to obtain a gate remote. You or your tenant may also use this form to add or update your phone number and name in the call box.

Please be advised that gate remotes cost \$25.00 each. Please make your payments with either a check or money order made payable to **Jackson Park COA**. The gate access form and payments may be mailed to the management office at 9419 Tradeport Drive, Orlando, FL

32827 or you may visit the management office on Mondays-Fridays from 9 AM - 5 PM. An appointment is not required to purchase the gate remote at the management office, but management does suggest making an appointment so that the process takes less time when you arrive.

If you have any questions or concerns, please feel free to contact the management office at 407-251-200 or [info@dwdpm.com](mailto:info@dwdpm.com).

## *Parking Regulations*

Please be advised of the following parking policy for the Jackson Park Condominium Association. The following vehicles are NOT permitted:

- Commercial vehicles (this includes cars/trucks with ladder racks, pipe racks, magnetic signs or lettering in the windows) – Commercial vehicles are only permitted during daylight hours if they are furnishing goods and services to residents (i.e., plumbing services).
- Boats and campers, motor homes, trailers, and recreational vehicles.
- Vehicles without license plates or with expired license plates.
- Vehicles that are parked on the grass.
- Vehicles that are parked on the street between the hours of 12 AM – 6 AM.

- Vehicles that are double parked (parked behind cars which are parked in parking spaces or cars parked in more than one parking space).
- Vehicles parked in front of and/or blocking fire hydrants or parked in fire lanes.  
Clearly disabled and inoperable vehicles that have not moved for 72 hours or more.

All vehicles should be parked in designated parking spaces only. Residents and guests of Jackson Park 1 and Jackson Park 2 are permitted to park in any available marked parking space since the property is shared by both Associations.

**It is important that these rules are followed as the Board has found that many people are still parking on the street after hours and in fire lanes. If you have received a letter of violation for this issue, please ensure that you follow the rules listed above. If you have questions regarding these rules, please contact the management office.**

If your vehicle or the vehicle of a guest is towed due to a violation of the parking rules and regulations, you should contact **Universal Towing & Recovery** to resolve the situation.

Therefore, bouncy houses are not permitted and should not be installed in any area within the community. Thank you for your cooperation and understanding.

## Owner Access Platform

Please be advised that you may utilize an online owner access portal where you may login to manage your account and access community documents. With your Internet-enabled device, you are able to view your current account balance, check your payment history, view your open records and more!

To ensure your privacy, only homeowners whose email address is on file have already received a registration email. **If you have not already provided your email, please email your information to [info@dwdpm.com](mailto:info@dwdpm.com)** and include your community's name, address within the community, and the email address you want on file. If you received the registration email but the time has expired and you are in need of a new registration email, please contact our office by email at [info@dwdpm.com](mailto:info@dwdpm.com) with your request. Please make sure to include the email address you want us to use and we process a new registration email for you.

Please check your SPAM folder as it may be filtered automatically. After you click the link in the confirmation email you can create your password and your account will be registered. You will then be able to log into your account using your email address and the password you created when you registered. Please make sure to use Google Chrome which is the preferred web browser for the platform.

We encourage everyone to utilize the new on-line access platform at <https://owner.topsoft.com/DWDProfessionalManagement/Account/Login> in order to review your account balance and obtain information. Please let us know if have not received your invitation to join the platform, and we will help you set-up your account.

### ***Please Pick-up After Your Pets and Keep Pets on a Leash at All Times***

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the

"parent" and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities.

If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community, you cannot just let your dog out and then close the door. **Your pet must be on a leash at all times, and any pet waste MUST be picked up and disposed of in a waste receptacle.** This is not only a community rule; it is an Orange County ordinance as well. The Association has installed several doggy stations throughout the community for your convenience. Please use these receptacles to dispose of any dog waste. Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others. If you see a dog unattended within the community, please notify Orange County Animal Control at the following number: 407-836-3111. Thank you for your understanding and cooperation in this matter.

### ***Architectural Review Change Procedures***

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process.

**If you are going to make any changes to the exterior of your property, then you will need to fill out the Architectural Review Board (ARB) application. An application must be completed and approved by the Board of Directors before any project may begin.**

These applications will always be available on your community's website and they are included in this monthly newsletter (please see below). Please follow the instructions on the form and submit all of the required documents for your requested change. When you are submitting an application to the ARB remember to include the following:

1. Two (2) copies of the property survey that show the location of the proposed changed, alteration, renovation or addition.
2. Two (2) drawings of your plan(s).
3. Two (2) copies of color samples, if applicable.

Please note that applications submitted without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you. Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's

Architectural Review Board (ARB). The ARB is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria. Per Florida Statutes, this process may take up to 30 days.

As soon as the Board makes a decision, we will mail you a letter of approval or denial. Please make sure you do not proceed with any improvements until you receive your letter of approval. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our office.
