Pool Rules

Please be advised that the pool closes at sundown every day. No unauthorized people may enter the pool after this time.

Many people ask why the Association has chosen to close the pool at sundown. The answer is simple. **We did NOT choose this time.** The State of Florida decided this for us! *Since there is not enough light per State guidelines, we must close the pool when the sun goes down.*

The HOA will pursue recuperating any costs associated with damage to the pool caused by the inappropriate use of the facilities. The police will also be called if you are found at the pool after the posted hours. This is considered trespassing even if you are a resident of the community. This is the law for the State of Florida, and it will be enforced for the protection of our community assets and the safety of our residents.

Next, there is a list of pool rules located in the pool area. Please take a minute and review these rules. One of the most important rules is the age limit for use. If you are under the age limit, **you may NOT use the pool without a parent or guardian being present.** This rule will be strictly enforced when maintenance

personnel are present in order to ensure the safety of the children in our community. Accidental drowning in a swimming pool is a leading cause of death in Florida for children. Please be advised there are no lifeguards at the pool, and the maintenance personnel are **not** trained in CPR or pool safety. Failure to comply with the Pool Rules may also result in you being asked to leave the area.

Thank you for your cooperation with this matter. If you have any additional concerns or questions regarding this issue, please contact the management office.

Parking in the Community

Please be advised due to the recent increase in the number of vehicles parking in the Jackson Park 1 and Jackson Park 2 communities, the Board would like to advise you of the following:

Please park your vehicles in your garage and driveway at all times.

If you have a guest or a third vehicle, please use one of the open parking spaces located on the Jackson Park 1 side of the community or on the Jackson Park 2 side of the community.

Again, every effort should be made to park in a designated parking spot, however, if you arrive home and find that there is no available parking on either side of the community for your guest or your third vehicle, the

Board will allow you to park directly in front of your unit on the street or at the end of the cul-de-sac on Corsican Street. However, if you park on the street in front of your unit, **you may NOT park on the grass or the sidewalk, in the fire lanes, or block any vehicle from entering or exiting their driveway.** If you park at the end of the cul-de-sac on Corsican Street, **you may NOT park in the fire lane.**

We have informed the towing company that parking in front of the units on the street or at the end of the cul-de-sac (following the rules as stated above) will be allowed for now until the issue with extra vehicles parking in the community is resolved.

If you have any questions, please call DWD Professional Management at 407-251-2200. Thank you for your cooperation.

Tax Information

The accounting firm, Cole & Associates, recently completed the Association's taxes for 2023, and a copy is available for your review. The Statement of Cash Flow for 2023 is also available at this time. If you would like to review these documents, please contact our management office by phone at 407-251-2200 or by email at info@dwdpm.com to make your request.

2024 Budget Requests

If you are interested in obtaining the 2024 Budget for your community, please feel free to review the document on the

community website using the following link:

[Budget – Jackson Park Condominium Association](#)

The budget is also available on the community portal under “Documents.”

Garbage Pick-Up Schedule/No Recycles and No Bulk Waste Pick-Up

Please be advised of the following schedule for trash pick-up for the Jackson Park community:

Garbage Pick-up: Tuesdays and Fridays

The community’s vendor for trash pick-up, Waste Pro, does not pick-up recycling or bulk items. All trash must be placed in storage containers and placed at the curb. Do not place items outside of your storage containers. If you have bulk items for pick-up, you will need to take these items directly to the local County dump location.

Please remember to place your storage containers out on the curb no earlier than 6 PM the night before collection, and return them to their proper storage places by 6 PM the day of collection.

If you have any questions about curbside collection, please contact Waste Pro at 407-774-0800.

Please Pick-up After Your Pets and Keep Pets on a Leash at All Times

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the “parent” and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities. If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community, you cannot just let your dog out and then close the door. **Your pet must be on a leash at all times, and any pet waste MUST be picked up and disposed of in a waste receptacle.** This is not only a community rule; it is an Orange County ordinance as well. The Association has installed several doggy stations throughout the community for your convenience. Please use these receptacles to dispose of any dog waste. Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others. If you see a dog unattended within the community, please notify Orange County Animal Control at the following number: 407-836-3111. Thank you for your understanding and cooperation in this matter.

Upgraded Owner Access Platform – Enumerate Portal

We are pleased to announce that the owner online platform has been upgraded and we sent you an invitation email to join the new platform to the email address on file with our office. This new platform will replace the previous online portal and will provide you with additional features and information. With your Internet-enabled device, you will be able to view your current account balance, check your payment history, view your open records (violations, work orders, and service requests), view announcements and alerts for the community, link multiple properties under the same login, and more!

To ensure your privacy, only homeowners whose email address is on file have received a registration email. If you have not provided your email, please send your information to info@dwdpm.com and include your community’s name and property address within the community. Once your email address has been opted into the system, you will receive an email to register. For security purposes, a return email will be sent to confirm you are the owner of that email account. The link to the new portal is as follows:

[Portal - Login \(goenumerate.com\)](#)

Please check your SPAM folder as it may be filtered automatically.

After you click the link in the confirmation email you can create your password and your account using your email address and the password you created when you registered. Please make sure to use Google Chrome which is the preferred web browser for the platform.

We encourage everyone to utilize the new on-line access platform in order to review your property account and obtain community information.

Gate Access Procedures

On page 8 of the newsletter please find a copy of the gate access form that you or your tenant will need to complete in order to obtain a gate remote. You or your tenant may also use this form to add or update your phone number and name in the call box.

Please be advised that gate remotes cost \$50.00 each. Please make your payments with either a check or money order made payable to **Jackson Park COA**. The gate access form and payments may be mailed to the management office at 9419 Tradeport Drive, Orlando, FL 32827 or you may visit the management office on Mondays-Fridays from 9 AM - 5 PM. An appointment is not required to purchase the gate remote at the management office, but management does suggest making an appointment so that

the process takes less time when you arrive.

If you have any questions or concerns, please feel free to contact the management office at 407-251-200 or info@dwdpm.com.

Alligator Warning - Be Careful and Do Not Feed Alligators

It is important that all residents remember that in Florida alligators may be present in any body of water. Therefore, please always be aware of your surroundings and do not leave children or pets unattended near the water's edge.

Also, please be aware that it is against the law to feed alligators. Feeding alligators reduces their fear of humans, and this may have serious consequences for the people they encounter who do not bring them food. If you see alligators in the area, you may report them to the Florida Fish and Wildlife Conservation Commission at the following number: 866-392-4286. You may also report alligator sightings to the management company so they may contact Florida Fish and Wildlife and provide authorization for the trapper to enter the property. If you have any questions or concerns, please call the management company.

Pool Access

If you need to obtain pool access for the community pool, please contact the management office at info@dwdpm.com or 407-251-2200. The management office will arrange a time for you to pick up your access card at their office located at 9419 Tradeport Drive, Orlando, Florida 32827. Pool access cards cost \$8.00 each.

Accepted methods of payment are check or money order made payable to Jackson Park COA.

Please bring the following with you to the management office in order to receive your pool access card:

Owners: You must bring a photo ID.

Renters: You must bring a photo ID and a copy of your current lease agreement.

Also, please be advised that the pool gate includes a child safety lock. Therefore, when you use your magnetic card to open the gate, please then pull up on the child safety lock (a knob located on the top right-hand side of the gate) in order to gain access. Please see picture on page 10 below showing the location of the child safety lock.

We have also placed a new sign on the pool gate showing the location of the child safety lock.

If you have any issues opening the gate, please contact the management office for further instructions.

Parking Regulations

Please be advised of the following parking policy for the Jackson Park Condominium Association. The following vehicles are NOT permitted:

- Commercial vehicles (this includes cars/trucks with ladder racks, pipe racks, magnetic signs or lettering in the windows) – Commercial vehicles are only permitted during daylight hours if they are furnishing goods and services to residents (i.e., plumbing services).
- Boats and campers, motor homes, trailers, and recreational vehicles.
- Vehicles without license plates or with expired license plates.
- Vehicles that are parked on the grass.
- Vehicles that are parked on the street between the hours of 12 AM – 6 AM.
- Vehicles that are double parked (parked behind cars which are parked in parking spaces or cars parked in more than one parking space).
- Vehicles parked in front of and/or blocking fire

hydrants or parked in fire lanes.

- Clearly disabled and inoperable vehicles that have not moved for 72 hours or more.

All vehicles should be parked in designated parking spaces only. Residents and guests of Jackson Park 1 and Jackson Park 2 are permitted to park in any available marked parking space since the property is shared by both Associations.

It is important that these rules are followed as the Board has found that many people are still parking on the street after hours and in fire lanes. If you have received a letter of violation for this issue, please ensure that you follow the rules listed above. If you have questions regarding these rules, please contact the management office.

The security services company will also be issuing citations for violations of the parking rules. Please move your vehicles if you receive these citations.

If your vehicle or the vehicle of a guest is towed due to a violation of the parking rules and regulations, you should contact **Universal Towing & Recovery** to resolve the situation.

Orlando, Florida 32824
Phone: 407-816-0102
Fax: 407-816-0103

We greatly appreciate your cooperation and assistance in this matter. If you have any questions or concerns regarding the parking policy, please contact the management office.

Use of Bouncy Houses

Please be advised that the use of bouncy houses in multi-family housing such as Jackson Park is **NOT** permitted. All of the outside areas belong to the Association and are considered common area property. If someone were to get hurt, the Association could be held liable and the Association's insurance does not cover this activity. In addition, common area property could be destroyed or damaged. Therefore, bouncy houses are not permitted and should not be installed in any area within the community. Thank you for your cooperation and understanding.

Architectural Review Change Procedures

It has come to our attention that some homeowners are not

familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process.

If you are going to make any changes to the exterior of your property, then you will need to fill out the Architectural Review Board (ARB) application. An application must be completed and approved by the Board of Directors before any project may begin.

These applications will always be available on your community's website and they are included in this monthly newsletter (please see below). Please follow the instructions on the form and submit all of the required documents for your requested change. When you are submitting an application to the ARB remember to include the following:

1. Two (2) copies of the property survey that show the location of the proposed changed, alteration, renovation or addition.
2. Two (2) drawings of your plan(s).
3. Two (2) copies of color samples, if applicable.

Please note that applications submitted without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you. Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Board (ARB). The ARB is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria. Per Florida Statutes, this process may take up to 30 days.

As soon as the Board makes a decision, we will mail you a letter of approval or denial. Please make sure you do not proceed with any improvements until you receive your letter of approval. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our office.

 **HURRICANE PREPAREDNESS PLAN**

Hurricane Family Preparedness

- Hold a family meeting
- Discuss the hazards of hurricanes. Encourage children to talk about their fears and explain some of the things you'll be doing to keep everyone safe. Start a written list of things you'll need to take care of and encourage everyone in the family to contribute their ideas.
- Discuss whether you'll need to evacuate
- Determine whether you live in an evacuation zone and, if so, where you will go if an evacuation order is given. Going to a family or friend's house or hotel outside the evacuation area is your best choice. If you choose to go out of town, do so well in advance of the storm. Since shelters provide for only basic needs, this should be your choice of last resort.
- Ensure your assets are protected
- Inventory your home possessions and videotape or photograph items of value. Review your insurance policies to ensure you have adequate coverage.
- Assess your home for vulnerable areas
- Do a walk-through of your home and property to evaluate your roof, windows, garage door, landscaping, etc. and determine what actions you will take.
- Make a plan to protect your vehicles
- Decide where you will store or park your vehicle, boat or RV. Check your vehicle insurance policy and keep it in the same safe place as your homeowner's policy.
- Secure your home
- Decide what actions you will need to take to protect your home and your property (shutters, generator, trim trees), and to keep as comfortable as possible during recovery.
- Discuss whether anyone in your home is elderly or has special needs and, if so, make arrangements in advance to accommodate those needs.

 HURRICANE PREPAREDNESS PLAN

Hurricane Family Preparedness

- Determine how you will address your pet's needs and make a plan for your pet in case you have to evacuate. If appropriate, plan for large animals such as horses
- Gather your supplies
- Determine your family's food, water and medical needs and assemble your hurricane kit according to those needs (see sidebar for essential items to include)
- Notify others of your plan
- Let family or friends know what your hurricane plan is so they can check on you in the aftermath of the storm. Establish an out-of-town contact
- Plan ahead for the possibility of becoming separated from your family and friends, whether it is a personal emergency or a larger-scale disaster
- Start by designating a single, out-of-town contact that your family or household members can call, e-mail or text message should a disaster occur. If local phone service is overwhelmed, it may be easier to call outside the area. Your contact should be aware that they are your family's designated contact
- All of your loved ones should agree to call the out-of-town contact to report their whereabouts and welfare
- Regular contact with your designated person will help to keep everyone informed. After initial contact and depending on the circumstances, you might set a specific check-in time
- When telephone lines are busy, e-mails or text messages may go through when calls cannot
- Create an emergency contact list; include phone numbers and e-mail addresses for your designated out-of-town contact, loved ones, neighbors and other emergency numbers such as police, fire and your physician
- Make copies of the list for every family member and print a copy to keep by the phone and with your emergency supplies
- Make sure to secure outside structures and get all outside items and bring everything inside including patio chairs, grills potted plants and balcony items
