Playground Project Completed - Awaiting County Approval

Please be advised that the vendor has completed installing the new playground equipment and mulch. We are now just awaiting the approval from the County to reopen the playground area. We are hoping the County inspector will provide the approval next week. We will send a message to the community as soon as the approval comes through so that residents may begin using this area.

The Association will also be installing a fence around the playground area and a lighting system in the next few months.

Halloween Trick-or-Treating Guidelines

We look forward to a wonderful night of trick-or-treating in our community on **Sunday, October 31st**. Please use the follow guidelines for trick-or-treating within the community:

1. Please turn on your front porch light if you would like trick-or-treaters to visit your home. Keep your front porch light off if you are not participating.
2. Please be aware of trick-or-treaters as you drive through the neighborhood.
3. Please make sure you are visible to drivers. Flashlights are a good idea for this purpose or reflective clothing.
4. Parents, please supervise your children and ensure that they stay safe. Always check your children's candy at the end of the evening to confirm that it is safe for them to enjoy.
5. Please try to limit your trick-or-treating between the hours of 6-9 PM. Since Halloween is on Sunday night, we all need to get up as usual on Monday morning for school and work.
6. Have fun and happy trick-or-treating!

Please direct all concerns to the management company. For ARB requests, please go to the Association's website, www.jacksonparkcondos.com. Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home.

Pool Rules

Please be advised that the pool closes at sundown (dusk) every day. No unauthorized people may enter the pool after this time nor may they stay in the pool area after dusk even if they arrived prior to sundown. Many people ask why the Association has chosen to close the pool at sundown. The answer is simple. **We did NOT choose this time.** The State of Florida decided this for us! Since there is not enough light per State guidelines, we must close the pool when the sun goes down. We have had several instances recently of residents staying in the pool area at or after dusk. Therefore, please ensure that you leave the pool area at the appropriate time.

Next, there is a list of pool rules located in the pool area. Please take a minute and review these rules. One of the most important rules is the age limit for use. If you are under the age limit, **you may NOT use the pool without a parent or guardian being present.** This rule will be strictly enforced when personnel are present in order to ensure the safety of the children in our community. Accidental drowning in a swimming pool is a leading cause of death in Florida for children. Please be advised there are no lifeguards at the pool, and the maintenance personnel are **not** trained in CPR or pool safety. Failure to comply with the Pool Rules may also result in you being asked to leave the area.

Another issue we have found recently at the pool is that residents are leaving large messes in the bathroom and on the pool deck. The maintenance staff has also found evidence of smoking and drinking of alcoholic beverages. Please be advised that smoking and the drinking of alcoholic beverages are not permitted and that you may be responsible for any damages to the pool area and you may be requested to leave the area as well.

We ask for everyone's cooperation with this matter so that the pool area may be enjoyed by all residents. If you have any concerns or questions regarding this issue, please contact the management office.

Gate Access Procedures

The Board of Directors recently decided to change the policy for purchasing gate remotes. The previous policy only allowed owners to purchase gate remotes. **However, the Board decided to allow tenants to purchase remotes as well as long as a valid lease with the owner is provided.** Therefore, we ask owners to inform their tenants of this policy change so remotes may be purchased at the management office if needed.

For your convenience, on page 11 please find a copy of the gate access form that you or your tenant will need to complete in order to obtain a gate remote.

You or your tenant may also use this form to add or update your phone number and name in the call box.

Please be advised that gate remotes cost \$25.00 each. Please make your payments with either a check or money order made payable to **Jackson Park COA.** The gate access form and payments may be mailed to the management office at 9419 Tradeport Drive, Orlando, FL 32827 or you may visit the management office on Mondays-Fridays from 9 AM - 5 PM. An appointment is not required to purchase the gate remote at the management office, but management does suggest making an appointment so that the process takes less time when you arrive.

If you have any questions or concerns, please feel free to contact the management office at 407-251-200 or info@dwdpm.com.

417 Widening Project

On pages 9-10 of this newsletter, please find an announcement from the Central Florida Expressway Authority regarding their schedule for widening the 417 from International Drive to Narcoossee Road. The project has several phases that will impact our area. You may also visit the following website for additional information regarding this project from the Central Florida Expressway Authority:

Parking Regulations

Please be advised of the following parking policy for the Jackson Park Condominium Association. The following vehicles are NOT permitted:

- Commercial vehicles (this includes cars/trucks with ladder racks, pipe racks, magnetic signs or lettering in the windows) – Commercial vehicles are only permitted during daylight hours if they are furnishing goods and services to residents (i.e., plumbing services).
- Boats and campers, motor homes, trailers, and recreational vehicles.
- Vehicles without license plates or with expired license plates.
- Vehicles that are parked on the grass.
- Vehicles that are parked on the street between the hours of 12 AM – 6 AM.
- Vehicles that are double parked (parked behind cars which are parked in parking spaces or cars parked in more than one parking space).
- Vehicles parked in front of and/or blocking fire hydrants or parked in fire lanes.
Clearly disabled and inoperable vehicles that have not moved for 72 hours or more.

All vehicles should be parked in designated parking spaces only. Residents and guests of Jackson Park 1 and Jackson Park 2 are permitted to park in any available marked parking space since the property is shared by both Associations.

It is important that these rules are followed as the Board has found that many people are still parking on the street after hours and in fire lanes. If you have received a letter of violation for this issue, please ensure that you follow the rules listed above. If you have questions regarding these rules, please contact the management office.

If your vehicle or the vehicle of a guest is towed due to a violation of the parking rules and regulations, you should contact **Airport Towing** to resolve the situation.

- 1. Anyone using this common area does so understanding the risk for being infected with COVID-19 and assumes that risk.**
- 2. While present in this common area, unvaccinated individuals must maintain a distance of at least 6 feet from other individuals at all times, except for those individuals residing in the same household.**

3. Anyone violating these rules will be subject to removal and/or subject to suspension of future rights to use this common area.

We appreciate everyone following these guidelines for the safety of all residents within our community.

Please be advised that the County permit has now been issued to install the new playground equipment and the vendor will install the playground equipment within the next few weeks. We apologize for the delay in this installation and we look forward to opening this area once again.

Please be advised that the management office will follow new COVID-19 guidelines. Appointments will no longer be required to visit the office. **Therefore, the lobby is open from 9 AM – 5 PM Monday through Friday for walk-ins.** You may still contact our office to make an appointment if you would prefer. However, it will no longer be required.

We will require that all visitors and staff wear face masks while inside the management office and that proper social distancing is followed. We also still encourage residents to conduct business online using the resident portal or on the phone as much as possible.

Please be advised that for the time being, all Board meetings will continue to be held via teleconference or videoconference.

We will continue to monitor the situation at the local, state, and federal level and will provide updates to you as needed. We encourage all of our residents to follow the recommendations from the Center for Disease Control (CDC) and the Florida Department of Health regarding COVID-19 in order to limit the spread of the disease and to keep your family and neighbors safe.

Therefore, please take the time now to prepare your home and your family for hurricane season. Use of Bouncy Houses

Please be advised that the use of bouncy houses in multi-family housing such as Jackson Park is **NOT** permitted. All of the outside areas belong to the Association and are considered common area property. If someone were to get hurt, the Association could be held liable and the Association's insurance does not cover this activity. In addition, common area property could be destroyed or damaged. Therefore, bouncy houses are not permitted and should not be installed in any area within the community. Thank you for your cooperation and understanding.

Garbage Pick-Up Schedule/No Recycles and No Bulk Waste Pick-Up

Please be advised of the following schedule for trash pick-up for the Jackson Park community:

Garbage Pick-up: Tuesdays and Fridays

The community's vendor for trash pick-up, Waste Pro, does not pick-up recycling or bulk items. All trash must be placed in storage containers and placed at the curb. Do not place items outside of your storage containers. If you have bulk items for pick-up, you will need to take these items directly to the local County dump location.

Please remember to place your storage containers out on the curb no earlier than 6 PM the night before collection, and return them to their proper storage places by 6 PM the day of collection.

If you have any questions about curbside collection, please contact Waste Pro at 407-774-0800.

Owner Access Platform

Please be advised that you may utilize an online owner access portal where you may login to manage your account and access community documents. With your Internet-enabled device, you are able to view your current account balance, check your payment history, view your open records and more!

If you received the registration email but the time has expired and you are in need of a new registration email, please contact our office by email at info@dwdpm.com with your request. Please make sure to include the email address you want us to use and we process a new registration email for you.

Please check your SPAM folder as it may be filtered automatically. After you click the link in the confirmation email you can create your password and your account will be registered. You will then be able to log into your account using your email address and the password you created when you registered. Please make sure to use Google Chrome which is the preferred web browser for the platform.

Please Pick-up After Your Pets and Keep Pets on a Leash at All Times

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the "parent" and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities.

If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community, you cannot just let your dog out and then close the door. **Your pet must be on a leash at all times, and any pet waste MUST be picked up and disposed of in a waste receptacle.** This is not only a community rule; it is an Orange County ordinance as well. The Association has installed several doggy stations throughout the community for your convenience. Please use these receptacles to dispose of any dog waste. Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others. If you see a dog unattended within the community, please notify Orange County Animal Control at the following number: 407-836-3111. Thank you for your understanding and cooperation in this matter.

Architectural Review Change Procedures

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process.

If you are going to make any changes to the exterior of your property, then you will need to fill out the Architectural Review Board (ARB) application. An application must be completed and approved by the Board of Directors before any project may begin.

These applications will always be available on your community's website and they are included in this monthly newsletter (please see below). Please follow the instructions on the form and submit all of the required documents for your requested change. When you are submitting an application to the ARB remember to include the following:

1. Two (2) copies of the property survey that show the location of the proposed changed, alteration, renovation or addition.
2. Two (2) drawings of your plan(s).
3. Two (2) copies of color samples, if applicable.

Please note that applications submitted without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you. Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Board (ARB). The ARB is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria. Per Florida Statutes, this process may take up to 30 days.

As soon as the Board makes a decision, we will mail you a letter of approval or denial. Please make sure you do not proceed with any improvements until you receive your letter of approval. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our office.

SR 417 CORRIDOR WIDENING PROJECTS: SEGMENT 3

LANDSTAR BOULEVARD TO BOGGY CREEK ROAD

PROJECT DESCRIPTION

The Central Florida Expressway Authority is widening State Road 417 (Central Florida GreeneWay) from Landstar Boulevard to Boggy Creek Road in order to reduce congestion and improve traffic flow. This 3.7-mile project will add a lane in each direction, expanding the expressway from four to six travel lanes. Eleven sound walls are proposed in this segment. See the map for proposed wall locations.

CFX is also adding wider median shoulders that can temporarily accommodate additional traffic during emergency response events, such as traffic accidents or hurricane evacuations. This is one of five widening projects on SR 417 between International Drive and SR 528 (Martin B. Andersen Beachline).

WHAT TO EXPECT

During construction, temporary lane and ramp closures will be necessary to accommodate work. To minimize the impact of construction to motorists traveling on SR 417, lane and ramp closures will not be permitted during peak travel times. There will be night and weekend work on this project.

WORK ZONE SAFETY

For the safety of motorists and work crews, speed limits will be strictly enforced during construction. Speeding fines are doubled in work zones when workers are present. Motorists are reminded to change lanes for safety when they see Road Rangers assisting other motorists or flashing lights — it's Florida law.

 **HURRICANE PREPAREDNESS PLAN**

Hurricane Family Preparedness

- Hold a family meeting
- Discuss the hazards of hurricanes. Encourage children to talk about their fears and explain some of the things you'll be doing to keep everyone safe. Start a written list of things you'll need to take care of and encourage everyone in the family to contribute their ideas.
- Discuss whether you'll need to evacuate
- Determine whether you live in an evacuation zone and, if so, where you will go if an evacuation order is given. Going to a family or friend's house or hotel outside the evacuation area is your best choice. If you choose to go out of town, do so well in advance of the storm. Since shelters provide for only basic needs, this should be your choice of last resort.
- Ensure your assets are protected
- Inventory your home possessions and videotape or photograph items of value. Review your insurance policies to ensure you have adequate coverage.
- Assess your home for vulnerable areas
- Do a walk-through of your home and property to evaluate your roof, windows, garage door, landscaping, etc. and determine what actions you will take.
- Make a plan to protect your vehicles
- Decide where you will store or park your vehicle, boat or RV. Check your vehicle insurance policy and keep it in the same safe place as your homeowner's policy.
- Secure your home
- Decide what actions you will need to take to protect your home and your property (shutters, generator, trim trees), and to keep as comfortable as possible during recovery.
- Discuss whether anyone in your home is elderly or has special needs and, if so, make arrangements in advance to accommodate those needs.

 **HURRICANE PREPAREDNESS PLAN**

Hurricane Family Preparedness

- Determine how you will address your pet's needs and make a plan for your pet in case you have to evacuate. If appropriate, plan for large animals such as horses
- Gather your supplies
- Determine your family's food, water and medical needs and assemble your hurricane kit according to those needs (see sidebar for essential items to include)
- Notify others of your plan
- Let family or friends know what your hurricane plan is so they can check on you in the aftermath of the storm. Establish an out-of-town contact
- Plan ahead for the possibility of becoming separated from your family and friends, whether it is a personal emergency or a larger-scale disaster
- Start by designating a single, out-of-town contact that your family or household members can call, e-mail or text message should a disaster occur. If local phone service is overwhelmed, it may be easier to call outside the area. Your contact should be aware that they are your family's designated contact
- All of your loved ones should agree to call the out-of-town contact to report their whereabouts and welfare
- Regular contact with your designated person will help to keep everyone informed. After initial contact and depending on the circumstances, you might set a specific check-in time
- When telephone lines are busy, e-mails or text messages may go through when calls cannot
- Create an emergency contact list; include phone numbers and e-mail addresses for your designated out-of-town contact, loved ones, neighbors and other emergency numbers such as police, fire and your physician
- Make copies of the list for every family member and print a copy to keep by the phone and with your emergency supplies
- Make sure to secure outside structures and get all outside items and bring everything inside including patio chairs, grills potted plants and balcony items
